This Form 99 submission is in response to the Commission's letter dated December 16, 2005 regarding the Committee's Amended May Monthly Report. As a result of the Committee's review of activity for the calendar year 2005 it appears that several disbursements originally reported in the May monthly were reported incorrectly. The disbursements should have been reported in the April Monthly. The Committee's most recent April and May monthly reports reflect this shift in the reporting date(s) of the disbursement. Therefore, the disbursements referenced in the Commission's letter are now correctly reported, and have not been omitted in error on our May monthly.
