This Form 99 submission is in response to the Commission's letter dated December 16, 2005 regarding the Committee's Amended Statement of Organization filed on 8/12/05 and the receipt reported on Line 17 of our November Monthly from United Bank. The Committee filed a Statement of Organization on 3/5/2001, showing Century Bank as a depository. Since that time, the Committee has held its funds in this account. However, it appears as though sometime after the above date, but prior to 1/18/2002 the Bank's name was changed to United Bank. The Committee has been reporting receipts in the form of Interest from United Bank on Line 17 beginning with the April Quarterly Report in 2002. We hope this provides adequate clarification for the Commission regarding this matter.
