NICHI S. FARNHAM, TREASURER
RAYE FOR CONGRESS
P.O. BOX 207
EASTPORT, ME 04631

Response Due Date
09/29/2014

IDENTIFICATION NUMBER: C00519231

REFERENCE: JULY QUARTERLY REPORT (05/22/2014 - 06/30/2014)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 2 item(s):

1. The totals listed on Line(s) 6(a), 6(c), 11(a)(iii), 11(e) and 16, Column B of the Summary and Detailed Summary Page(s) appear to be incorrect. Column B figures for the Summary and Detailed Summary Pages should equal the sum of the Column B figures on your previous report and the Column A figures on this report. Please file an amendment to your report to correct the Column B discrepancies for this report and all subsequent report(s) which may be affected by this correction. Note that Column B should reflect only the election cycle-to-date totals (11/07/12 through 11/04/14). (2 U.S.C. § 434(b) and 11 CFR § 104.3)
2. While it is permissible for a person to make a contribution for the general election prior to the primary election, the recipient committee must employ an acceptable accounting method to distinguish between primary and general election contributions. (11 CFR § 102.9(e)) This general election amount must be maintained in the committee's account.

Since the candidate will not participate in the general election, any contribution received for the general election must be returned to the donors or redesignated to the primary if your committee has net debts outstanding for the primary election. To redesignate a contribution the committee must either (1) obtain signed written documentation from the contributor(s) authorizing the redesignation of the contribution for another election provided that the new

designation does not exceed the limitations on contributions made with respect to that election, or (2) redesignate the contribution by presumption to the primary election, for undesignated contributions made after the primary but before the general election, provided that the new designation does not exceed the limitations on contributions made with respect to that election. In this case, the treasurer must notify the contributor of the redesignation in writing. The notification must give the contributor an opportunity to request a refund. A contribution can only be redesignated to a previous election to the extent that the contribution does not exceed net debts outstanding for that election. (11 CFR § 110.1(b)(3)(i) and (5)(ii)(C))

Any subsequent report(s) filed with the Commission must disclose the refund or redesignation of any general election contribution. Refunds or redesignations must be done within 60 days after the 2014 Primary Election.

Although the Commission may take further legal action, your prompt action to refund these contributions will be taken into consideration.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.

If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1170.
