

In response to your correspondence to of March 15, 2006 concerning items which appeared on Schedule A of our Year End Report (7/01/05-12/31/2005) which totaled \$ 58,837.49, these contributions and debits represented contributions which were received from our locals and state organizations.

These contributions were received from either members who failed to supply us with complete information such as full names, addresses ro social security numbers so that we could properly credit their contributions , or from the collections at local and state meetings and were sent to our offices in the form of money orders with out any breakdown of who the contributions were from....

These items should have been included in the total for Line unitemized and not under itemized.

Our PAC makes every attempt to credit every contribution which is received from our members, locals and state organizations.
