Dear Ms. Kang:

America's Foundation retains a direct mail/caging company to administer the PAC's account. The service they provide includes depositing receipts and preparing expenditures. This organization is also the custodian of the PAC's records. As such, the fees the PAC pays the direct mail company includes what the PAC would otherwise pay for rent, phones, salaries, office equipment, supplies, utilities and most, if not all, other administrative-type expenses to which your letter refers.

If you have any additional questions, please do not hesitate to contact me.

Sincerely,

Barbara W. Bonfiglio
