Re: Request for Additional Information from the Biotechnology Industry Organization PAC
(FEC ID# C00355677)

Dear Ms. Needles:

In response to your Request for Additional Information (RAI), this letter is being submitted to provide you with notice that the Biotechnology Industry Organization PAC ("the PAC") has already redesignated the disbursements referenced. The disbursements to Ralph Hall, Sue Myrick and Joe Barton, written in May and originally designated to the Primary election, were re-designated to the General election on the 2006 FEC July Monthly Report.

It is our belief that this letter was sent to the PAC in error. In a telephone conversation about this matter, one of your colleagues from the Reports Analysis Division (RAD) confirmed this to be the case. Thus, please review the 2006 FEC July Monthly Report and update your records accordingly. If you need further information, please feel free to contact me.

Sincerely,

Alan Eisenberg
PAC Treasurer
