Dear Ms. Drew:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Schedule A of your report (see attached) discloses one or more contributions from an organization(s), which is not a political committee registered with the Commission. In order for your committee to accept contributions from unregistered organizations into accounts used to influence federal elections, your committee should take steps to insure that the contributor(s) used permissible funds to make the contribution(s) to avoid violating 2 U.S.C. §§441a(f) and 441b or 11 CFR §102.5(b). Under 11 CFR §102.5(b), organizations which are not political committees under the Act and choose to contribute to federal committees must either: 1) establish a separate account which contains only those funds permitted under the Act, or 2) demonstrate through a reasonable accounting method that the organization has received sufficient funds subject to the limitations and prohibitions in order to make the contribution.

If any apparently prohibited contribution in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information. In addition, please clarify whether the contribution(s) received from the referenced organization(s) is permissible.

To the extent that your committee has received prohibited funds, you may have to make a refund. If within 30 days of receipt you (1) transferred the prohibited amount to an account not used to influence federal elections, and (2) provided written notice to the person making the contribution of the option of receiving a refund, you may retain the contribution in an account not used to influence federal elections. Any request from a donor for a refund must be honored.

If the foregoing conditions for transfers to a non-federal account were not met within 30 days of receipt, the prohibited amount must be refunded. See 11 CFR §103.3(b)(1).

Please inform the Commission of your corrective action immediately in writing and provide a photocopy of your check for any transfer-out or refund. Should you choose to transfer-out or refund the contribution(s), the Commission will presume the funds were impermissible if no statement from your committee provides information to the contrary. Transfers-out and refunds should be disclosed on a Schedule B supporting Line 22 or 28 of the report covering the period during which the transaction was made.

Although the Commission may take further legal action concerning the acceptance of prohibited contributions, prompt action by your committee in transferring-out or refunding the amounts will be taken into consideration.

-Your report does not include a Schedule H1 to disclose the ratio for the allocation of certain costs. Schedule H1 must be filed with the first report each year for State, District and Local party committees, and with the first report filed in the two-year election cycle for Separate Segregated Funds and Non-connected committees. For State, District and Local party committees, all shared administrative, generic voter drive and exempt activity costs incurred during the two-year cycle must be allocated according to this ratio, unless the federal account elects to pay a higher percentage of its cost. For Separate Segregated Funds and Non-connected committees, all shared administrative and generic voter drive costs must be allocated according to this ratio unless the federal account elects to pay a higher cost. 11 CFR §106.7(d)(2), (d)(3) and 11 CFR §§104.10(b)(1) and 106.6(c)

-Your report discloses limited payments for administrative expenses. Administrative expenses are payments made for the purpose of operating a political committee including, but not limited to, rent, utilities, salaries, telephone service, office equipment and supplies.

Each state, district or local party committee utilizing separate federal and non-federal accounts is required to allocate any administrative expenses (excluding salary) between the accounts according to a fixed percentage selected on FEC Schedule H1. A Schedule H1 must be filed with the first FEC FORM 3X filed at the beginning of each calendar year. Payments for salary and wages for employees who spend more than 25% of their compensated time on Federal election activities or on activities in connection with a Federal election must be made from a federal account and disclosed on a Schedule B supporting Line 30(b) of the Detailed Summary Page. 11 CFR §106.7

Any goods or services provided to your committee by a person, except volunteer activity (i.e., a person's time), would be considered an in-kind contribution from that person, and would be subject to the disclosure requirements of 2 U.S.C. §434(b)(3) and 11 CFR §104.13, and the limitations and prohibitions of 2 U.S.C. §§441a and 441b.

Clarification regarding administrative expenses should be provided during each two year election cycle beginning with the first report filed in the non-election year. Please provide the necessary information regarding administrative expenses incurred by your committee and/or amend your report to disclose such expenses according to the referenced provisions of the Act and Commission Regulations.

Unlike previous election cycles, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
