To Whom It May Concern:

I am writing in response to the FEC letters dated December 12th, 2008 in reference to our June Monthly Report covering the period 5/1/08-5/31/08 and our August monthly covering the period 7/1/08-7/31/08.

Unfortunately, the letter never actually reached us until January 8, 2008 and I was out of the country in a remote area with no internet access. I apologize for the lateness of this response.

In our original filing, while we correctly reported the expenses being allocated between our federal and non-federal accounts, which were paid for by our federal account and then reimbursed by our non-federal account for the non-federal portion as per schedule H1. I neglected to show the transfers from our non-federal account to reimburse the Federal account for the non-federal portion.

We subsequently amended both reports to reflect this.

Sincerely,

Corinne Locke
Director of Finance
