Dear Mr. Evans:

We have amended our December 31, 1995 year end report to correct the FEC identification number on the Summary Page and the totals on lines 11 (a) (i) and 11 (a) (ii). The \$39,888.96 contribution from the Grenada Sunburst System Voluntary Political Action Committee was the result of Union Planters Corporation acquiring Grenada Sunburst Banks. When they became a subsidiary of Union Planters Corporation, the decision was made to close out their PAC and transfer the remaining funds to the existing PAC maintained by Union Planters Corporation. All Grenada employees became employees of Union Planters, and the balance in their PAC did not contain any cumulative contributions of \$200 or more. I hope this clarifies the amount in question.

Sincerely,

M. Kirk Walters
Treasurer
