REFERENCE: YEAR END REPORT (11/27/2012 - 12/31/2012)

Dear Ms. Carter:

This statement is in response to the Commission's letter dated March 7, 2013. The Commission requested additional information on six items.

- 1.The Commission requested clarifying information regarding employer and occupation information for several contributors. The Committee has amended our report to update the information where necessary.
- 2.The Commission requested clarifying information regarding the aggregate contributions disclosed from Mr. James D. Klote. The aggregate year to date total is not greater than the total receipts disclosed from this individual. Please refer to FEC Filing ID: FEC-861056, Page 183 of 297, Item B and FEC Filing ID: FEC-861831, Page 51 of 291, Item C.
- 3.The Commission requested clarifying information regarding memo entries on Schedule A related to JFC transfers from the "TARGET STATE VICTORY FUND." Our Committee failed to disclose memo entries on Schedule A supporting the transfer received from the "TARGET STATE VICTORY FUND" on October 22, 2012. Additionally, the transfer was mistakenly reported on Line 11(c) rather than on Line 12. We have amended our 30 Day Post-General Report to correct these two errors.
- 4.The Commission requested clarifying information regarding voided checks reported on Schedule B supporting Line 21(b) of our report. The Committee has amended our report to provide explanation for this activity.
- 5.The Committee has reviewed all reimbursements to individuals for travel and subsistence and confirms that no further itemization is required under any Commission regulations for these expenditures.
- 6.The Commission requested clarification of a contribution to a candidate for the 2012 General election where funds were disbursed after the election date. This contribution was used to reduce the candidate committee's debts and the Committee has noted this on our amended report.

This should answer the Commission's inquiry.

Sincerely,

Brent Anderson  
Treasurer
