Reference: Amended May Report (04/01/10-04/30/10) and June Report (05/01/10-05/31/10)

Dear Mr. Butler:

The Amended May 20, 2010 report discloses three earmarked contributions received by The Freedom Project on Schedule A. These receipts were originally disclosed as direct contributions to The Freedom Project. The Committee's June 20, 2010 report lists the disbursements to the recipient committees on Schedule B supporting line 23.

Due to a database issue, these contributions were not immediately identified as earmarked contributions. When the error was discovered the contributions were forwarded as required. The Freedom Project has taken steps to make sure that contributions are forwarded within the correct time limit going forward.

Sincerely,

Margee Clancy  
Treasurer
