To whom it may concern:

One month ago Sense In Politics filed the paperwork for form an Independent Expenditure Only Committee, colloquially known as a Super PAC. It was our every intention of raising funds in unlimited amounts for the upcoming 2016 election cycle. But circumstances and time constraints and *commitments have forced us to realize we do not have the time to properly commit to this committee.*

Upon further review, we have decided to file our first and only Form 3X as a Termination Report. We have no donations or disbursements.

I hope that this report was filled out accurately. If it has not, I would appreciate if you would let us know. I can be reached at 509-590-3010, or by email attached to the contact information of the PAC.

Sincerely,

Matthew Hines, Treasurer
