Re: RFAI dated March 10, 2014

The RFAI dated March 10, 2014 notes that the committee reported a refund of a contribution to Karen Fuljeanz (name misspelled in refund entry). The RFAI references the pre-primary report, but this refund was actually reported on the Year End report filed January 31, 2014.

This refund is a partial refund of a contribution received on 9/16/2013. The contribution is from a check signed by Michael Fuljenz, Karen Fuljenz's husband. The check notes in the memo line that the contribution is to be divided equally (2,600 each) between Mr. & Mrs. Fuljenz. However, the check bears only Mr. Fuljenz's name at the top and was signed by him.

Accordingly, the committee sent a reattribution and redesignation letter to Mr. & Mrs. Fuljenz which also offered the option of a refund. Mr. Fuljenz returned the letter, authorizing the committee to redesignate the contribution as follows: \$100 from Mr. Fuljenz to the 2014 Primary and \$2500 from Mr. Fuljenz to the 2014 General. Mr. Fuljenz requested a refund of the remaining \$2600. The letter was signed and dated October 2, 2013. The committee then made the refund requested by Mr. Fuljenz in the amount of \$2600, within the 60 days required by 11 CFR 103.3(b)(3). However, the committee mistakenly issued the check in the name of Karen Fuljenz.

After reviewing this matter, it appears the committee made recordkeeping errors. We have amended the October 15, 2013 report to reflect that the original check from 9/16/13 was in the amount of \$5200. We have also amended the Year End report to reflect the redesignations requested by Mr. Fuljenz as of October 2, 2013.
