Dear Mr. Smith:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Schedule H5 of your report discloses a \$180,304.00 transfer(s)-in of Levin funds to your federal account for Voter ID activity. However, Schedule L-B supporting Line 4(b) of the Schedule L Aggregation Page for the "DPA Levin Fund" account discloses a \$4,250.00 transfer(s)-out of Levin funds for Voter ID activity and a \$176,054.00 transfer(s)-out of Levin funds for GOTV activity. Please amend your report to clarify this apparent discrepancy.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
