

This is in response to the letter from your agency dated June 11, 2008. On the ERICPAC 2007 Year End report, the contribution to Latta for Congress dated 12/7/07 was to retire primary debt in the 2007 special election in this Congressional District. The later contribution dated 1/24/08 to Latta for Congress was for the 2008 primary. The ERICPAC 2007 Year End report has been amended to show more clearly the 12/7/07 contribution was in relation to the 2007 special election.
