The Fresno County Democratic Central Committee just filed an amended Form 1. An amended Form 1 was filed to change the treasurer of record and address. The type of committee is checked as a Party Committee and as a subordinate committee of the Democratic Party. The FEC reports and analysis division has requested that the Form 1 be completed in such a manner.

We have previously explained that the Fresno County Democratic Central Committee is a local party committee and that in California a local party committee is not affiliated with the California State Democratic Party.
