Reference: Termination Report (11/26/96-12/31/96)

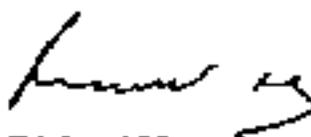

Dear Ms. McPherson:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Your Termination Report discloses \$172,458.10 in residual funds. According to 11 CFR §102.3(a), a committee must satisfy the following conditions before it can terminate: 1) it will no longer receive any contributions or make any disbursements that would otherwise qualify it as a political committee; 2) all outstanding debts and obligations have been extinguished; and 3) a statement has been submitted regarding the disposition of the committee's residual funds. Please provide any clarifying information regarding the \$172,458.10 in residual funds disclosed on your Termination Report. In addition, preliminary review of your 30 Day Post-General Report raised questions concerning certain information disclosed by your committee. Please be advised that your committee must continue to file all required reports with the Commission until this matter has been resolved, and the conditions for 11 CFR §102.3(a) have been fully satisfied.

Any amendment or clarification should be filed with the Federal Election Commission. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530. My local number is (202) 219-3580.
