This Committee responds to the May 15, 2014 RFAI, with a response due on June 19, 2014, as follows: This Committee exercises its best efforts to report the complete identification of all contributors whose contributions aggregate in excess of \$200 in a calendar year. First, contributions are only solicited online and the online donation page requires all contributors to provide their employer and occupation in order to submit a contribution to the Committee. Secondly, where a contributor has not provided that information or provided inadequate information, Committee policy is to communicate with all such contributors, at any dollar amount, on a monthly basis via email to request the missing information. This request is not made in the form of a solicitation, and explains to the contributor that to comply with federal election law, the Committee is required to make its best efforts to obtain and report each contributors name, address, name of employer and occupation. Third, if the contributor responds and provides the requested missing information, this information is added to the contributor's personal information in FECFile and reported on the next regularly scheduled FEC Report or, an appropriate amendment is filed to a prior report. At this time, the Committee has not received any additional information for the relevant report.
