Amended Mid Year Report (1/1/03 - 6/30/03)

This letter is in response to your letter dated December 17, 2003 (attached). Upon review of the original electronically filed report it appears that the contribution in question was not properly coded. The \$5,000 contribution to "Shelby for US Senate" dated January 28, 2003 should not have been allocated in total to the 2004 primary election cycle. The contribution should have been split \$2,500 toward the 2004 primary and \$2,500 should have been allocated to the 2004 general election.

An amended report to properly report the contribution has been filed electronically on January 13, 2004.

I have also attached our letter to the Shelby Campaign.

I apologize for any inconvenience that this may have caused. If you have any questions please do not hesitate to contact me at 310-893-1641.

Sincerely,

Brian A. Levan
Treasurer, TDY-PAC

Amended Mid Year Report (1/1/03 - 6/30/03)

Dear Senator Shelby,

We recently received a notification from the FEC that we have made an error in our Mid Year Report for 2003. Upon review of the original electronically filed report it appears that our most recent contribution to your campaign was not properly coded. The \$5,000 contribution dated January 28, 2003 to "Shelby for US Senate" was inadvertently allocated in total to your primary election cycle. Because of our previous activity in support of your primary election, the contribution should have been split \$2,500 toward the 2004 primary and \$2,500 should have been allocated to the 2004 general election.

We have been in contact with the FEC concerning this error and believe that the issue is resolved. An amended report to properly identify the contribution was filed electronically on January 13, 2004. Though no action is required by your staff at this time, it might be prudent to examine your records to ensure that our error was not perpetuated in your report for the same period.

I apologize for any inconvenience that this may have caused. If you have any questions please do not hesitate to contact me at 310-893-1641.

Sincerely,

Brian A. Levan
 Treasurer, TDY-PAC

Reference: Mid-Year Report (1/1/03-6/30/03)

Dear Mr. Levan:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Schedule B of your report (see attached) discloses one or more contributions which appear to exceed the limits set forth in the Act. 2 U.S.C. §441a(a) prohibits a multicandidate committee and its affiliates from making a contribution to a candidate for federal office in excess of \$5,000 per election.

If any apparently excessive contribution in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information.

If any contribution you made exceeds the limits, you must request a refund of the excessive amount or provide a written authorization for a redesignation of the contribution pursuant to 11 CFR §110.2(b) within 60 days of the treasurer's receipt.

If the foregoing conditions for redesignations were not met within 60 days of the treasurer's receipt, your committee must obtain a refund of the excessive amount.

COPY

Please inform the Commission of your corrective action immediately in writing and provide a photocopy of the refund or redesignation request sent to the recipient committee(s). In addition, any refunds should be disclosed on Schedule A supporting Line 16 of the report covering the period during which they are received. Any redesignations should be disclosed as memo entries on Schedule B supporting Line 23 of the report covering the period during which the redesignation is made. 11 CFR §110.1(b)

Although the Commission may take further legal action regarding the excessive contribution(s), your prompt action in obtaining a refund and/or redesignating the contribution(s) will be taken into consideration.

Unlike previous election cycles, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division) or my local number (202) 694-1135.
