Dear Ms. Jones:

We have reviewed the above referenced reports and an Addendum providing additional contributor information was included with the initial filing of the September report.

Please be advised that the Democratic Senatorial Campaign Committee exercises "best efforts" in attempting to obtain contributor information such as full name, mailing address, occupation and employer. All the committee's solicitations and invitations request the required information. As the money is entered in the database, letters are sent to donors. As information is received, the donor database is updated and addendum reports are sent with our next FEC report. The employer/occupation information included in our FEC reports is provided directly by the contributors.

With respect to Rent/Occupancy, our Committee charges candidate committee(s) the prevailing commercial rent for comparable rental space.
