Dear Mr Morse:

This is in response to your letter of January 26, 2007 to the Illinois Tenth Congressional Democrats requesting information about the above noted Year End Report. Your question relates to why the entries in the 30 Day Post General Report on Schedule E for independent expenditures did not agree with the dates appearing on the 24 hour reports filed earlier. This is due to my error of using the dates I wrote the check while doing the 30 day report. This date was generally the day before (in one case, two days before) the check was actually presented for payment and the date of the 24 hour reports. I have filed an amended 30 day report that corrects the dates of five independent expenditures so that the dates accurately reflect the dates of payment and agree with the 24 hour reports.

Thank you for your assistance in helping Tenth Dems to accurately reflect all information. I would be happy to answer any other questions.

Sincerely,

Jim Gagne
Treasurer, Tenth Dems
