REFERENCE: AMENDED STATEMENT OF ORGANIZATION, RECEIVED 04/17/2017

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 1 item(s):

- Line 5(b) of your Statement of Organization indicates that your committee is an authorized committee, and is not a principal campaign committee of a candidate; however based on your previous filing(s), your committee appears to be a nonconnected committee. If your committee has not been authorized by a candidate to act on their behalf as evidenced on their Statement of Candidacy, please do not check box 5(b). Be advised, if your committee supports/opposes more than one Federal candidate, and is not a separate segregated fund or a party committee, an amended Statement of Organization should be submitted which indicates the appropriate Type of Committee on Line 5(f). Please amend your filing or provide additional clarifying information regarding your type of committee. 11 CFR §100.5(e)

**Please note, you will not receive an additional notice from the Commission on this matter.** Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**
