Dear Mr. Poersch:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Schedule A supporting Line 15 of your reports discloses offsets to operating expenditures from several entities (see attached); however, your report(s) does not appear to disclose a disbursement to, or on behalf of, these entities. Please provide clarifying information regarding this activity and amend your report(s) if necessary.

-Schedule A supporting Line 15 of your reports discloses offsets to operating expenditures from apparent joint fundraising committees (see attached) which appear to be related to expenses paid by your committee for a joint fundraising effort. Please amend your report to clarify which disbursements these offsets are associated with.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.
