To the FEC,

The REDWINGMCPAC made a contribution on 6/6/2022 at the multi-candidate contribution limit.

Please note the Committee converted from a candidate committee to a PAC on 4/10/2018 in accordance with Advisory Opinion 2012-06. The Committee also applied for Multi-candidate status on 4/10/2018. The Committee meets all the requirements for this Status but the FEC website never updated the status. The Committee Treasurer discussed this with its analyst, Nicholas Tarone in June 2022. Nicholas stated the Committee did indeed qualify for the multi-candidate status but believed it was a technical error on the FEC's side. He requested the FEC website to be updated to reflect the status. The Committee notes that the website has not been updated as of 7/12/2022, however, the Committee is indeed a "qualified" PAC.

Sincerely,

Joel Jukus
