In RE: July Quarterly Report (4/1/2018 to 6/30/2018)

Dear Mr. Baisden:

I write in response to your letter of September 24, 2018 concerning certain excessive contribution received by the committee. The donors in question, Mark Jay Levin, Deborah Simon, and Patricia Walker, have all been refunded amounts in excess of \$5,000.00. These refunds can be on the committee?s most recent filing with the Commission. The committee has taken steps to prevent this situation from recurring in the future.

Thank you for bringing this matter to our attention. Should you have additional concerns on this, or any other matter, please let us know.

Thank you

Brian Foucart  
Treasurer
