This Form 99 is a timely response to the RFAI submitted to National Consumer Credit Access Super PAC, Inc. (ID: C00690297) (the "Committee") dated March 3, 2019. The RFAI seeks additional information regarding the date when certain outstanding obligations reported on Schedule D of the Committee's Amended 30-Day Post-General Report (10/24/2018-11/26/2018, received by the FEC on 1/28/2019) were incurred.

Please be advised that these outstanding obligations owed to Genova Burns LLC were incurred for background legal services (initial advice regarding potential formation and governance of an FEC committee) before the Committee was formed and before the Committee filed its initial Statement of Organization on 10/24/2018. Therefore, these outstanding obligations existed before the time period covered by the Committee's Amended 30-Day Post-General Report.

In addition, please be advised that, due to a mailing error, invoices for these legal services were not received by the Committee until January 2019. For this reason, the outstanding obligations were not disclosed on the Committee's Original 30-Day Post-General Report (received by the FEC on 12/6/2018). When the invoices were received and the outstanding obligations were discovered, an amended report was filed.
