Reference: August Monthly Report (7/1/02-7/31/02)

Dear Mr. Carr:

On October 9, 2002, you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your October 28, 2002 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-Schedule A of your report discloses the receipt of funds from your connected organization (pertinent portion(s) attached). 2 U.S.C. §441b prohibits the receipt of funds from national banks, corporations, and labor organizations. Under 11 CFR §114.5(b)(3), however, a separate segregated fund may be reimbursed for any solicitation or other administrative expense provided that the reimbursement is made no later than thirty days after the expense was paid by the separate segregated fund.

If the contribution(s) in question was incompletely or incorrectly disclosed, you should amend your original report with the clarifying information. Please provide further clarifying information regarding the date(s) on which the committee made payments for any solicitation or other administrative expenses.

To the extent that the reimbursement was made beyond thirty days after the expense was paid, you may have to make a refund. If within 30 days of receipt you (1) transferred the prohibited amount to an account not used to

influence federal elections, and (2) provided written notice to your connected organization of the option of receiving a refund, you may retain the contribution in an account not used to influence federal elections. Any request from your connected organization for a refund must be honored.

If the foregoing conditions for transfers to a non-federal account were not met within 30 days of receipt, the prohibited amount must be refunded. See 11 CFR 103.3(b)(1).

Please inform the Commission of your corrective action immediately in writing and provide a copy of your check for any transfer-out or refund. In addition, any transfer-out or refund made should be disclosed on Schedule B supporting Line 22 or 28 of the report covering the date on which the transaction was made.

Although the Commission may take further legal action concerning the acceptance of a prohibited contribution, prompt action by your committee to refund or transfer-out the amount will be taken into consideration.

An adequate response must be received at the Commission by November 20, 2002. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions related to this matter, please contact Edward Ryan on our toll-free number (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division) or our local number (202) 694-1130.

Sincerely,
