No expenditure was made on behalf of a specifically identified federal candidate, and no expenditure was for a public communication that referred to a clearly identified candidate for Federal office and that promoted, supported, attacked or opposed any such candidate for Federal office. The payments disclosed on Schedule B for Line 21(b) for fundraising activities did not constitute public communications that referred to a clearly identified candidate for Federal office and that promoted, supported, attacked or opposed any such candidate for Federal office. While these disbursements were eligible for allocation using the funds-received method, the Committee elected to pay these expenses with 100% federal funds. No employee of the Committee spent more than 25% of compensated time during any month within the reporting period engaged in Federal Election Activity. Payments for salaries and related fringe benefits disclosed on Schedule H4 are for employees who spent less than 25% of their time engaged in activities in connection to any federal election.
