Re: Amended August Monthly Report (7/1/10 - 7/31/10)

Dear Ms. Della Rocco

This submission is in response to the notice received requesting clarification of the additional \$23,500.00 in disbursements reported on the Amended August Monthly Report that was not originally reported on the August Monthly Report.

Please be advised the report was submitted before we added new committees to system and the report. Consequently, \$23,500.00 in contributions to 5 committees was not reported. As soon as we noticed the discrepancy we amended the report to include the additional disbursements.

If you have any additional questions please do not hesitate to contact us.
