Dear Ms. Jaketic:

Thank you for your telephone call this afternoon. The previous response to your Request for Additional Information concerning the year-end 2005 FEC report for TENN PAC should have also addressed the issue of administrative expenses. The committee incurred and paid several administrative expenses during the reporting period, including rent, utilities, accounting fees, telephone expense, office supplies, and printing and postage expenses on its own behalf. The committee also paid administrative and fundraising consulting consulting fees. However, the committee does not have any full time staff, and did not have anyone on salary. This will be the case for the foreseeable future. No other administrative expenses were incurred, and no debt existed at the close of 2005 with respect to any unpaid administrative expenses (or any other unpaid expenses).

Please do not hesitate to contact me at (703) 549-7705 if there is any additional information I can provide.

Sincerely:

Keith Davis, Treasurer  
TENN PAC
