RE: Humane USA PAC FEC #C00350439 Letters of June 4, 2003
 concerning 30 Day Post-General Report

Dear Mr. Ryan:

This letter will attempt to address the issue raised in your letter of June 4, 2003 regarding the above referenced Report filing for Humane USA PAC. With respect to the limited disclosure for administrative expenses, Humane USA PAC incurs very limited actual expenses of this sort and, therefore, has few disbursements related to administrative expenses. Humane USA PAC, as we have reported to your office before, maintains no office and has no staff (but does pay one consultant). I serve as Treasurer, for example, in a strictly voluntary capacity. In every instance where expenses have been incurred (letterhead and envelope printing, stamp purchases, mailing house fees, etc.) they have been reported (including information concerning the person to whom the disbursement was made, the administrative costs related to the disbursement, the amount and the date). The great bulk of our work is undertaken by volunteers and wherever an in-kind contribution has been offered specifically, it has been so noted.

If you wish to have me itemize the disbursements we made for administrative expenses during any of these or other reporting periods in a separate letter I would be happy to do so, including any additional specific explanations you might desire. It appears that during this reporting period, in addition to paying our consultant her salary, we incurred three expenses related to purchase of a mailing list, printing expenses, and mailing costs. I believe all of these items are reflected appropriately.

Sincerely,

Adam M. Roberts
 Treasurer
