This letter is in response to your letter dated November 20, 2014

Regarding your request for more information regarding the payment of wages and salaries on Schedule H-4, no employee listed on the report in question spent more than 25% of their time on Federal Election Activity during this time period. The Committee used the 2014 Allocation Formula for Texas of 21% Federal/ 79% Non-Federal for payroll of employees whose time spent on FEA was less than 25%.
