RE: Humane USA PAC FEC #C00350439 Letter of June 4, 2003
concerning 12 Day Pre-General Report

Dear Mr. Ryan:

This letter will attempt to address the issue raised in your letter of June 4, 2003 regarding the above referenced Report filing for Humane USA PAC. With respect to the limited disclosure for administrative expenses, Humane USA PAC incurs very limited actual expenses of this sort and, therefore, has few disbursements related to administrative expenses. Humane USA PAC, as we have reported to your office before, maintains no office and has no staff (but does pay one consultant). I serve as Treasurer, for example, in a strictly voluntary capacity. In every instance where expenses have been incurred (letterhead and envelope printing, stamp purchases, mailing house fees, etc.) they have been reported (including information concerning the person to whom the disbursement was made, the administrative costs related to the disbursement, the amount and the date). The great bulk of our work is undertaken by volunteers and wherever an in-kind contribution has been offered specifically, it has been so noted.

If you wish to have me itemize the disbursements we made for administrative expenses during any of these or other reporting periods in a separate letter I would be happy to do so, including any additional specific explanations you might desire. It appears that during this reporting period we only incurred expenses related to printing and design. I believe these items are reflected appropriately.

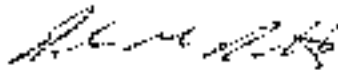

I am mystified that the totals you note in your letter are incorrect and the fact that the validation software did not indicate an error of this sort before the report was uploaded and filed. I am equally unclear as to why the beginning balance for this reporting period does not equal the ending balance of the 2002 October Quarterly Report. There was a computer "crash," I believe, after the 2002 October

Quarterly Report was filed. Humane USA PAC's Assistant Treasurer consulted with the FEC technical support staff and we thought we had successfully "rebuilt" the report but apparently that is not the case. I will do so again and, if that does not work, I will recreate the report and refile it as appropriate.

Thank you again for your patient attention to these matters.

Sincerely,

Adam M. Roberts
Treasurer
