Dear Mr. Averett,

The treasurer of the National Health Care Political Action Committee, Mr. Doran Johnson has forwarded to me your letter regarding the Commission's preliminary review of our committee's 30 day post general report. In this review the Commission cited two contributions made during 1996, "Tennesseans for Thompson", both in the amount of \$5,000.

The purpose of this letter is to explain to the Commission and in fact amend our original report to reflect the fact that check # 176 written on July 29, 1996 in the amount of \$5,000, payable to "Tennesseans for Fred Thompson", was in fact voided in November of 1996, and reissued in the form of check #198 dated November 1, 1997, to the same payee and for the same amount. This voided check was shown as a cash disbursement on the report, in November 1996. As a result of the original check having been voided, only one contribution to "Tennesseans for Thompson" was made by the National Health Employees Political Action Committee in the amount of \$5,000.

If you should have any further questions regarding this situation, please do not hesitate to contact us.

Sincerely,

David G. Coggin
