

This submission provides additional clarifying information to support a disbursement on the 2009 year-end Travel Offset Account report (filed on 1/28/2010):

The committee inadvertently deposited a check from another related entity (Obama Victory Fund) into its account. The misdeposit was a payment to the FEC from Obama Victory Fund reflecting the disgorgement of uncashed refund checks. Ultimately, the Travel Offset Account remitted those funds to the Federal Election Commission, the intended recipient of the initial misdeposit, on behalf of the Obama Victory Fund.
