

## ETEXT ATTACHMENT

02/21/2005 16 : 22

This submission has been filed in response to the FEC's request for additional information (dated 1/26/2005) regarding our filing for multicandidate status (Form 1M, filed 12/9/2004).

Your letter stipulates that our committee has not received contributions from more than 50 contributors. We received and reported over 100 contributions from different individuals for our July Quarterly filing. After speaking with the FEC Reports Analysis division regarding this matter, we were told that our July Quarterly filing was indeed sufficient, that the request for information is evidently a mistake, and that this Form 99 submission would be sufficient response on our part.

Please contact me via postal mail or via email at [staff@oceanstatepac.com](mailto:staff@oceanstatepac.com) to confirm that our Form 1M filing has been approved or to request an additional filing to clarify our qualifications.
