12 DAY PRE-GENERAL REPORT (10/01/2014 - 10/15/2014)

Dear Ms. Miller,

I am in receipt of your letter requesting additional information dated November 24, 2014. You identified a October 10, 2014 contribution made by the Hawkeye PAC to the Perdue for Senate committee in excess of the limits allowed by law. A request for a refund for the excessive contribution amount was made to the Perdue for Senate committee; and on December 10, 2014 the Hawkeye PAC received a check in the amount of \$4000 from the Perdue committee. This refund satisfies the excess contribution and will be reflected on the Hawkeye PAC year-end disclosure reporting.

As to the issue of the financial activity reported on the wrong lines of the Detailed Summary Page, I will add some clarification for your consideration. The total for Line 21(b) reflects those disbursements that were made as federal operating expenditures of the Hawkeye PAC. The itemization for the details of that total is made on page 8 of 16, Schedule B for line 21b. The total for Line 29 reflects those disbursements that were made as contributions to or on behalf of non-federal candidate and political committees, exclusively. The Hawkeye PAC used the instructions for line 29 when determining which items must be reported as Other Disbursements:

(Enter the total amount of other disbursements (including contributions to nonfederal candidates) on Line 29. Separate segregated funds and non-connected committees that use their federal accounts to pay for any portion of a public communication or voter drive that refers to nonfederal candidates (but not federal candidates) or to nonfederal candidates and a party (but not federal candidates) must enter those disbursements on Line 29.)

The itemization for the details of that total is made on pages 10-16 of 16, Schedule B for line 29.

If you should have any further questions regarding these matters, please contact feel free to me via email, Treasurer@HawkeyePAC.com.

Sincerely,
Gina Noll, Treasurer
The Hawkeye PAC
