Dear Ms. Benitz:

This letter is in response to your requests for additional information, dated March 12, 2015.

1. Your letter indicates that the total transfers in 2014 from the Walden Victory Committee exceed the sum of the memo entries disclosed in 2014. The October monthly report has been amended to include memo entries that were inadvertently omitted from the original filing. All of these contributions were included on the Walden Victory Committee filings.
2. Your letter indicates that the Committee disclosed a contribution from the National Association of Chemical Distributors Responsible Distributions PAC that was not disclosed by the donating PAC. The October monthly report has been amended to correct this contribution as being made by the National Association of Chain Drug Stores Inc. PAC. This original report had a data entry error.
3. Your letter indicates that the Committee may have exceeded its giving limits to the Carlos Curbelo Congress Committee. The April 2014 monthly report has been amended to disclose the contribution made on 4/23/14 as being designated to the 2014 Primary. The original entry was incorrectly reported as being designated to the 2014 General. The recipient committee accurately disclosed this contribution as being designated to the 2014 Primary.

Thank you for bringing these items to our attention.

Sincerely,
Lisa Lisker
Treasurer
