Dear Commission,

As treasurer of the 2nd congressional district in Michigan, I would like to register as a quarterly filer.

The 2nd Congressional District used to be the former 9th Congressional District. Our old FEC number was FEC C00148338. We did not have any activity for the last two and one half years.

I am filing for a new FEC number and will file all required reports. Thank you in advance for your assistance.

Cordially,

Sue Maturkanich, Treasurer
