Reference: July Quarterly Report - 01/01/03 to 06/30/03 request for amendment

The Statement of Organization was amended on 05/08/04 to reflect Kinde Durkee as treasurer.

In reference to the contributions made to candidates for the 2002 General and Primary election:
The contributions were inadvertently reported as 2002 instead of Primary 2004, with the exception
of contributions made to Dole 2002 and Dianne Feinstein For Senate. The contribution made to
Dole 2002 was to Retire the Debt and the contribution made to Dianne Feinstein for Senate was
for Primary 2006.

An amendment will be e-filed to reflect corrections.
