Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 2 item(s):

1. A review of the reports filed by your committee indicates that your committee received contributions from "CAP-PAC" and "International Longshore and Warehouse Union Political Action Fund" which have not been disclosed on their report(s) of receipts and disbursements. Please clarify if the contributions were received from the disclosed donors' federal account(s) and amend your report(s) if necessary.
2. Schedule B supporting Line 28(c) discloses a refund of a contribution received from "Machinists Non-Partisan Political League of Oregon." However, it appears that this contribution was not previously reported by your committee. Please amend the appropriate report(s) to disclose the original contribution or provide clarifying information. (2 U.S.C. § 434(b) and 11 CFR § 104.3(a) & (b))

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**
