This amendment includes operating account activity that was not previously disclosed on the prior report. The increase in receipts of \$70,748.45 and disbursements of \$50,158.84 was not previously disclosed because the information regarding this activity was not available to us at the time of the initial filing. We typically receive reports regarding receipts and disbursements on a monthly basis. Since the deadline was in the middle of the month, we were able to get some information by the deadline but not all of it. Now that we have received all reports regarding financial activity for the period, we can provide the most complete and accurate filing.
