RE: Nevada Republican State Central Committee  
FEC ID# C00082925  
Amended September Monthly (8/1/4 -8/31/4)

Dear Ms. Zehr:

We are in receipt of your letter dated February 25, 2005 regarding the aforementioned report.

Schedule B Line 21(b) for the "volunteer campaign materials" these disbursements have been moved to Schedule B Line 30 as per our conversation and the descriptions have been more detailed as to the type of materials for this expense. These disbursements do meet the definition of exempt party activity as they were volunteer driven and distributed. Additionally these were paid with 100% federally permissible funds raised.

Please note that all subsequent reports through the year end report have also been amended to reflect correct YTD totals for lines 21(b) and 30 (b).

At this time our committee believes to be in compliance.

Sincerely,

Chrissie Hastie  
Nevada Republican Party
