The following information is offered in response to Reference a with respect to Reference b.

The Connecticut Pro-Family Committee is a completely voluntary organization with no paid employees and no office per se. Supplies - stationery and stamps - are purchased on occasion but were not purchased during the reporting period in question. Some of what would be considered office or administrative tasks are performed for pay by the computer mailing company which we use.

The Committee has no connected organization.

I hope this clarifies the report in question and the Committee's situation.

Thank you.
