Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following item:

-Schedule H2 of your report indicates that your committee participated in "We Are Warriors" activities or events during the reporting period. However, there are no corresponding disbursements reflected on your Schedule H4. Note that you need not include activities on Schedule H2 if there are no corresponding payments made for the activity during the reporting period. If any disbursements were incorrectly reported, you should file an amended Schedule H4 with the correct activity or event identifier, or provide clarifying information regarding the activities on Schedule H2.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**
