Reference: Amended Mid-Year Report (1/1/05-6/30/05), received 2/2/06

There has been tremendous changes in the Finance Department over the last two years, the incumbent, Michelle Ledgister, is the fifth person to be assigned the FEC Report in October 2005.

Miss Ledgister has made numerous calls to the FEC, in order to properly compile the reports. She has had tremendous help from Chris Morris, whose advice she had followed to adequately record all the receipts and disbursements, hence the amended report.

Any errors in the past were due mainly to ignorance and not malfeasance.

We are also requesting training for our staff in order to adequately meet your requirements
