Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in enforcement action.** Additional information is needed for the following 2 item(s):

1. Your report(s) was not signed by the treasurer or designated agent listed on your Statement of Organization (FEC Form 1). Please amend your report(s) by providing the signature of an individual that is authorized to sign the report(s). If a new treasurer has been appointed, please file an amended Statement of Organization or a letter (if not an electronic filer) to reflect this change. (52 U.S.C. §30104(a)(1) (formerly 2 U.S.C. §434(a)(1)) and 11 CFR §104.14(a) and (d))

2. On Schedule B, you have disclosed disbursements to federal candidate committees. By June 30 (the closing date for the July quarterly report), 13 pay periods have passed, and the manager’s aggregate contributions are \$195—still below the \$200 itemization threshold. The manager’s second-quarter contributions again are included in “unitemized contributions” in the July report.

By September 30 (the closing date for the October quarterly report), 19 pay periods have passed, and the manager’s contributions reach \$285. Now the committee itemizes the total contributions received from the manager during the third quarter (\$90), providing the year-to-date total in the appropriate space. (See the illustration above.)

In-Kind Contributions

When determining whether to itemize an *in-kind contribution* received, follow the same guidelines listed above under “When to Itemize Receipts.” See page 9 for information on how to determine the dollar value of an *in-kind contribution*.

In addition, add the value of the *in-kind contribution* to the operating expenditures total on Line 21(b) (in order to avoid inflating the cash-on-hand amount). 104.13(a)(2).

If the *in-kind contribution* must be itemized on Schedule A, then it must also be itemized on a Schedule B for operating expenditures. See the illustration on page 56.

Appreciated Goods

When a committee receives an *in-kind contribution* whose value may appreciate over time, such as stock or artwork, special reporting rules apply:

- Itemize the initial gift, if necessary, as a *memo entry* on Schedule A (see “When to Itemize Receipts,” on page 53). Under “Amount,” report the fair market value of the *contribution* on the date the item was received. Do not include that amount in the total for Line 11(a)(i) on the Detailed Summary Page.
- Once the item is sold, report the sale price as a *contribution* on Line 11(a)(i) if the purchaser is known or as an “other receipt” on Line 15 if the purchaser is unknown.

Itemize the transaction on Schedule A if necessary. 104.13(b). See also AO 1989-6.

Joint Contributions

A *joint contribution* is made by a single check that bears two signatures. A check with one signature may also be a *joint contribution* if an accompanying form or letter, signed by both contributors, instructs the committee to treat it as a *joint contribution*. (A check drawn on a joint bank account but signed by only one person does not qualify as a *joint contribution*. Attribute the full amount of such a check only to the person who signed it. Alternatively, a reattribution may be sought using the procedures described below.)

For the purposes of itemization, report a *joint contribution* as though the joint contributors had given separately.

A *joint contribution* is itemized in items A and B in the illustration on page 57. In this case, the committee received a \$1,000 check from a married couple, signed by both spouses. Because there were no
