The Committee is filing the Amendment in response to the Commission's request for additional information. The Committee assesses the usual and normal charge for voter file access based on the sale of comparable data within the region. All other requests made by the Commission have been addressed in this amendment. Any payroll related expense on Schedule H4 was for the benefit of employees that did not spend over 25% of their compensated time on federal election activity. Any event or fundraising related activity was for the benefit of the committee and not a candidate for federal office. Transfers to the Non Federal account were for cash flow purposes and were not used to pay for federal related activity.
