Identification Number: C00431569

Reference: Amended April Quarterly Report (1/1/07 – 3/31/07), received 11/12/07  
Amended July Quarterly Report (4/1/07 – 6/30/07), received 4/13/08

Amended Year End Report (10/1/07 – 12/31/07), received 6/18/08

Dear Treasurer:

This letter is prompted by the Commission's further review of the reports referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following item:

Please be advised that purposes listed for debts on Schedule D-P differ from purposes listed for payments on these debts on Schedule B-P (see attachments for each report referenced above). For example, a debt owed to a staffer for the purpose of "travel" has a corresponding payment on Schedule B-P that lists the purpose as "salary."

If any of these disbursements were actually for the purpose of "travel," these disbursements must be itemized as follows: When the reimbursement amount to staff for travel and subsistence advances exceeds \$500, the payments by staff to any one vendor that make up the reimbursement may have to be itemized. For example, if the campaign related payments to any one vendor by the campaign/staff aggregate in excess of \$200 for the election cycle, the staff advance payment to the vendor must also be itemized in a memo entry for that reimbursement. Each memo entry must include the complete name and address of the original vendor, as well as the date, amount and detailed purpose of the advance. If itemization is not

28039814926

necessary for a particular reimbursement to staff in excess of \$500, you must indicate so in an amendment to this report. (11 CFR § 104.9)

Additionally, when a payment is made to reduce or extinguish an obligation owed by the committee, the payment must be itemized on Schedule B-P, reported on the appropriate line of the Detailed Summary Page, and included in the "Payment This Period" column on Schedule D-P. The "Payment This Period" should only include payments to reduce that debt during the reporting period. For further guidance, please see the "Instructions for Schedule D-P Debts and Obligations (Form 3P)."

Please explain the differences between debt purposes and debt payment purposes listed on the attachments for each report and amend your reports to reflect the necessary changes.

**Please note, you will not receive an additional notice from the Commission on this matter.** Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact us on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or use the local numbers listed below.

For example, a debt owed to a staffer for the purpose of "travel" has a corresponding payment on Schedule B-P that lists the purpose as "salary."

If any of these disbursements were actually for the purpose of "travel," these disbursements must be itemized as follows: When the reimbursement amount to staff for travel and subsistence advances exceeds \$500, the payments by staff to any one vendor that make up the reimbursement may have to be itemized. For example, if the campaign related payments to any one vendor by the campaign/staff aggregate in excess of \$200 for the election cycle, the staff advance payment to the vendor must also be itemized in a memo entry for that reimbursement. Each memo entry must include the complete name and address of the original vendor, as well as the date, amount and detailed purpose of the advance. If itemization is not

28039814942

necessary for a particular reimbursement to staff in excess of \$500, you must indicate so in an amendment to this report. (11 CFR § 104.9)

Additionally, when a payment is made to reduce or extinguish an obligation owed by the committee, the payment must be itemized on Schedule B-P, reported on the appropriate line of the Detailed Summary Page, and included in the "Payment This Period" column on Schedule D-P. The "Payment This Period" should only include payments to reduce that debt during the reporting period. For further guidance, please see the "Instructions for Schedule D-P Debts and Obligations (Form 3P)."

Please explain the differences between debt purposes and debt payment purposes listed on the attachments for each report and amend your reports to reflect the necessary changes.

**Please note, you will not receive an additional notice from the Commission on this matter.** Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. FEDERAL ELECTION COMMISSION  
WASHINGTON, D.C. 20463

RQ-2

August 20, 2008

Shelly Moskwa, Treasurer  
Hillary Clinton for President  
PO Box 101436  
Arlington, VA 22210

**Response Due Date:  
September 22, 2008**

Identification Number: C00431569

Reference: Amended April Quarterly Report (1/1/07 – 3/31/07), received 11/12/07  
Amended July Quarterly Report (4/1/07 – 6/30/07), received 4/13/08  
Amended October Quarterly Report (7/1/07 – 9/30/07), received 2/19/08  
Amended Year End Report (10/1/07 – 12/31/07), received 6/18/08

Dear Treasurer:

This letter is prompted by the Commission's further review of the reports referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following item:

Please be advised that purposes listed for debts on Schedule D-P differ from purposes listed for payments on these debts on Schedule B-P (see attachments for each report referenced above). For example, a debt owed to a staffer for the purpose of "travel" has a corresponding payment on Schedule B-P that lists the purpose as "salary."

If any of these disbursements were actually for the purpose of "travel," these disbursements must be itemized as follows: When the reimbursement amount to staff for travel and subsistence advances exceeds \$500, the payments by staff to any one vendor that make up the reimbursement may have to be itemized. For example, if the campaign related payments to any one vendor by the campaign/staff aggregate in excess of \$200 for the election cycle, the staff advance payment to the vendor must also be itemized in a memo entry for that reimbursement. Each memo entry must include the complete name and address of the original vendor, as well as the date, amount and detailed purpose of the advance. If itemization is not

28039814950

necessary for a particular reimbursement to staff in excess of \$500, you must indicate so in an amendment to this report. (11 CFR § 104.9)

Additionally, when a payment is made to reduce or extinguish an obligation owed by the committee, the payment must be itemized on Schedule B-P, reported on the appropriate line of the Detailed Summary Page, and included in the "Payment This Period" column on Schedule D-P. The "Payment This Period" should only include payments to reduce that debt during the reporting period. For further guidance, please see the "Instructions for Schedule D-P Debts and Obligations (Form 3P)."

Please explain the differences between debt purposes and debt payment purposes listed on the attachments for each report and amend your reports to reflect the necessary changes.

**Please note, you will not receive an additional notice from the Commission on this matter.** Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact us on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or use the local numbers listed below.
