Ms. Andrea Needles, Senior Reports Analyst
Reports Analysis Division
Federal Elections Committee
999 E. St., NW
Washington, DC 20463

Dear Ms. Needles:

We received your letter, dated August 14th, informing us that we are required to request a refund from the Snyder for Congress Campaign. Owing to a clerical error, we designated the contribution for the primary, rather than for the general election. Enclosed is a copy of the letter we have mailed to the Snyder Campaign requesting a refund, since more than sixty days have now elapsed since the treasurer's receipt.

As soon as we receive the refund, we will, as instructed, mail a copy of the refund check. In addition, we are filing a form 99, again as instructed, and will disclose the refund on our next filing. We appreciate your division's assistance with this matter. If there are any additional corrective actions that need to be taken, please do not hesitate to contact me.

Mr. Mallory Taylor
Vic Snyder for Congress Campaign Committee
P.O. Box 250998
Little Rock, AR 72225-0998

Dear Mr. Taylor:

This letter serves to request a refund, required by the Federal Election Committee (FEC), from the Snyder Committee. On May 30th, 2002, our Association's political action committee, NARFE-PAC, made a \$3000 contribution to the Snyder campaign. However, the contribution was inadvertently designated for the primary, rather than for the general election. As you are aware, the Arkansas primary was held days earlier on May 21, 2002. Since more than sixty days have elapsed since you received the check, the FEC requires us to ask for a refund.

As required, we will inform the FEC that we have requested the refund from your campaign and will report receipt of the refund. Your attention and cooperation are appreciated.
